REQUEST FOR FILING FEE REFUND  
CLAIMS MISCOUNTED BY PTO WHEN CALCULATING FILING FEE

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The filing fees in the above-referenced patent application were incorrectly calculated by the USPTO which resulted in an excessive charge of \$360.

On the filing receipt it is indicated that the total number of claims is 9. The filing fee of \$1260 (listed on the Filing Receipt) includes a charge of \$360 for a multiple dependent claim.

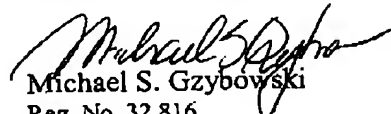

The application was originally filed with a Preliminary Amendment which eliminated the multiple dependent claim. The Preliminary Amendment resulted in 18 total claims and 1 independent claim and no multiple dependent claims.

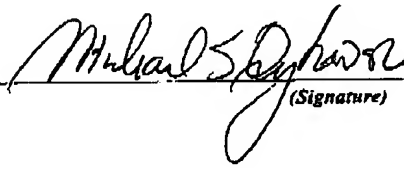

Appl. No. 10/549,987

Accordingly, the filing fee should have been calculated as \$900.

It is requested that \$360 be re-credited or refunded to Deposit Account No. 12-2136 to  
BUTZEL LONG.

Respectfully submitted,
